SNEH ITALIYA

FULL-STACK DEVELOPER

italiyasneh0018@gmail.com | x.com/snehitaliya | github.com/SnehItaliya

Passionate Full-Stack Developer with a strong focus on building scalable web applications. My expertise spans full-stack development, AI API integration, and database management (MySQL). I am skilled in both front-end (React) and back-end (Node.js) development, committed to writing clean, maintainable code, and focused on delivering innovative solutions that solve real-world problems.

AREA OF EXPERTISE

Front-End Development:
Frameworks/Libraries: ReactJs, Typescript, Tailwind CSS, Bootstrap, Tool Development

Back-End Development:
javascript(NodeJs)
API Integration, MySQL Database

Full Stack Development:
MERN Stack, **NextJS,**
Architecture: MVC Pattern, Component Based Design
Data Handling: RESTful APIs, JSON, CRUD Operations

PROJECT HIGHLIGHTS

1. FreshFit E-Commerce Platform (Full-Stack Project)

Tech Stack: MERN Stack | JWT Authentication | Stripe API
GitHub Repo: https://github.com/SnehItaliya/FreshFit
Built a fully functional e-commerce platform with product listings, secure user authentication using JWT, and Stripe-based payment integration. Implemented admin panel for product management and user roles.

2. Background Remover Web App (Full-Stack Project)

Tech Stack: React, Node.js, Express, Tailwind CSS, REST API, File Handling
Live Demo: https://ai-bg-removal-zs9m.vercel.app
Developed a full-stack tool for instant image background removal, providing clean, downloadable output. Designed a responsive UI with smooth file handling, focusing on speed and real-world practicality.

3. AI-Powered Worksheet Generation System (Internship Full-Stack Project)

Tech Stack: AI API integration, React-TypeScript, MySQL, Node.js, Express.js
Live Demo: https://www.aiworksheetpro.com
Developed a full-stack system using AI APIs to generate customizable educational worksheets. My role included building the admin panel, managing a MySQL database, and focusing on clean code, backend optimization, and front-end development.

EDUCATION

10th gujarat Board - 91% P.P Savani School	**Jun 2020 - Apr 2021**
12th Gujarat Board - 86% Ashadeep IIT	**Jun 2021 - Apr 2022**
Bachelor of Information Technology - 8.08 GPA Sarvajanik College of Engineering and Technology	**Sep 2022 - Jun 2026**

ADDITIONAL INFORMATION

- **Languages:** English, Gujarati, Hindi.
- **Certifications:** Full-Stack Developer(Skywin).
